To,
The Principal
St. Joseph's College (Autonomous)
Jakhama, Nagaland.

Subject: Request to form Dissecting Monitoring Committee (DMC)

Respected Father,

With reference to the subject cited above, the department of Zoology felt the need to form **Dissecting Monitoring Committee (DMC)** to examine the proposals for conducting experiments on live animals, which would chiefly examine the necessity of performing the experiments, and ensure that experiments with live animals are not performed in a routine manner and that all decisions are to be taken with the approval of the Committee to assure quality maintenance and welfare of animals used in laboratory studies.

The department therefore request your kind approval to form the said committee so that we can form our DMC at the earliest. The department look forward to your response.

Thanking you.

Yours Sincerely,

Rukutalu
