**ADORE OUR EARTH**

*Trees are crying because she is not clean.  
Earth is dying because she is not green.  
Her animals are getting poached everyday.  
Her birds are going extinct every month.  
And her atmosphere is depleting every single day.  
Her shivering body now cries in pain.  
In abundance we receive, she does freely give  
Expecting nothing in return but love.*

*It's time to sit back and reflect,  
On the follies of man,  
His wickedness, destructive and catastrophic acts.  
She is being covered with scars of greed and cruelty.  
Man should reduce, reuse and recycle.  
Earth is our dear Mother: don't pollute her.  
She gives us food and shelter: just salute her.  
With Global Warming, she's in danger.  
Let's save her by becoming a strong ranger.*

*It's time, time to wake up to reality  
Make green today and green tomorrow.  
Trees are precious, water is a treasure.  
It's time to discern and rise before she decays.  
Help restore our Mother, grow more trees  
Make Mother Earth green and a Queen.*
