Sub: Request for College Fees Concession for Mr.Thejasetuo Thomas (Sixth semester
B.Com)

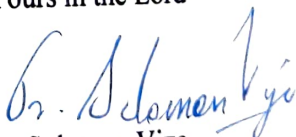

Dear Father,

This is to recommend Mr. Thejasetuo Thomas (Mezoma) for help in the College Fees. His father passed away some years ago and so the whole family is looked after by his mother. She is a farmer by profession and takes care of four boys and four girls. The elder sister is teaching in DBS Kohima, and the rest studying and working to help the mother. The mother really is struggling, whether to feed or to send them to school, and one sister needs special needs therefore another person has to be at home to take care of that sister.

In this situation, I sincerely seek your help as he is also intending to continue his studies for priesthood after his B.A. studies. He is a good catholic boy, hard working and ready to give a helping hand anywhere. The mother and his sisters are all good Catholics, regular and active members of the church. Hence, it would be very helpful to him and the family, if you could consider his case for some concession in our esteemed Catholic Institution.

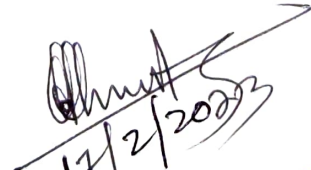

Thanking you in anticipation for all the help you and the institution is extending to our parish students.
