24 th Jan, 2020	The Department of History in collaboration with Youth Net, Edu Centre organized a career guidance program for the 6 th Semester students.	Youth Net, EDU Centre	190 Students
----------------------------------	--	--------------------------	--------------

Department of History – Career Guidance in collaboration with EDU Centre

Date: 24th January, 2020

Time: 11:00 am-12:30 pm

Venue: College Auditorium

Participants: 190

The Department of History in collaboration with EduCentre, Kohima, Nagaland organized Career Guidance Programme for the 6th Semester students on 24th January, 2020. The programme started with welcome address by the HoD, Ms. Nzano Kikon. Ms. Asanu Hibo from EduCentre gave an introduction and an overview on the role of EduCentre in providing opportunities for young people to venture across the country pursuing different courses.

The resource persons were Mr. Abir Bhowmik, Assistant Professor, NGF College of Engineering and Technology, New Delhi; Ms. Nirmali Kalita, Regional Head, Manav Rachna International Institute of Research and Studies, Faridabad, Haryana; Ms. Malsawmtluangi Khawlhhring, Senior Counsellor, Krupanidhi Group of Institutions, Bangalore; and Benjamin Longkap, SDO(C), Kohima, Nagaland.

The first three resource persons talked to the students about different courses that could enable the students to move forward in their professional career. Benjamin Longkap, an alumnus of the college, interacted with the students and gave them important guidelines to prepare for civil service examinations. He, at the end of the session, addressed the queries of the students.

The session ended at 12:30 PM with the vote of thanks delivered by the Head of the Department.

----------------------------------	--------------------------------------	------------	--------------

Edufair 2020 report

The students were first taken to an interactive session with Ranjan. Some of the points which he highlighted are

1. The importance of going out
2. The exposure the students will get as he steps out
3. To get counselling before making a decision
4. To be sure if the course that the student chooses
5. To check the credibility of the university before they take admission!

'IMAGINE AND EXPLORE'

"REPORT ON CAREER GUIDANCE"

The department of Chemistry organised a "CAREER GUIDANCE" on 1st April 2022 for the students of Chemistry department at the college conference Hall. The programme was chaired by Dr.Sanentiba O Ozukum and **Dr. Aola Supong** Asst. Professor SJC (A) was the speaker of the session. All together 81 (50 girls and 31 boys) students and five Teachers attended the programme. The time of the programme was at 9:00 a.m. Asst. Professors SJC (A) who attended the programme were Mr.Madovi David,Dr.Sanentiba O Ozukum, Miss Senchumbeni Yanthan and Miss Gaijuliu. The session started with an invocation from Sr.Chongliu K B.Sc 6th semester and a song presentation from Miss Kimeri Humtsoe B.Sc 4th semester. The career guidance was organised with the purpose of providing a clear concept of what career students should pursue after B.Sc and how they should achieve them. And having a clear knowledge of the path that they will follow will further enhance their motivation and explore various opportunities. The speaker emphasized the session on Research (with NET,JRF ,GATE),Teaching career, various public exams (central and state) and private sector jobs. She gave the importance of research and the multiple scope available in the state and outside north-east India. The speaker also talked about various exams (state and central) that people can clear and how they should prepare it; stating a quote as "Smart work along with hard work" can help anyone achieve their dream jobs. She also talked about the scope of B.Sc and M.Sc Chemistry in departments and various, companies and various private sectors for e.g M.Sc GATE can help a person get job in IOLC,ONGC,HPCL . She also presented the job opportunities in the private sector as well. After the presentation various questions and answers session was followed. Lastly the crowd sang the college anthem

The career guidance not only cleared the concepts of various misinformations about various jobs and opportunities but also precisely helped the students to set their targets to achieve their dreams. It was indeed a platform to know the various opportunities that are available but which people are unaware of be it in research, exams (state or central) or private sector jobs.

CAREER EXPLORATION AND AWARENESS TALK

DATE: 23rd MARCH 2023; TIME: 11:00 AM

VENUE: Conference Hall (PG Block)

1. PARTICIPANTS DETAILS:

Number of participants: 45

Number of students: 42

Number of professors: 3

2. NAME OF THE RESOURCE PERSON: Dr. Lilongchem Thyug

Assistant Professor

Kohima Science College (Autonomous)

Jotsoma

3. NAME OF THE CHAIRPERSON: Mr. Khani Daihri

B.Sc. 6th Semester

Department of Zoology, SJC (A), Jakhama

4. NAME OF THE RAPORTEUR: Ms. Pounamdiliu KC

B.Sc. 6th Semester

Department of Zoology, SJC (A), Jakhama

5. OBJECTIVE OF THE PROGRAM:

- i. It aims at giving a glimpse of options and career paths for students after graduation.
- ii. It aims at encouraging the students to dream bigger and to explore the many various scopes that are present in pursuing Zoology as one's honours.
- iii. It gives insight on how further studies actually works especially inside the state, within the country and outside the country.
- iv. It aims at emphasizing the importance of making use of the available scholarships and funding by the Government especially from tribal affairs for the students in research fields.
- v. It teaches the students moral virtues to acquire while gaining knowledge to achieve success.

6. OUTCOME OF THE PROGRAM:

The students of the 6th Semester, Department of Zoology, SJC(A), Jakhama attended the program and have acquired valuable knowledge about the scopes and areas that can be explored and pursued for further studies especially after their B.Sc. It not only cleared the doubts about areas of the subject, Zoology, but also made clear the other possible paths of career outside the subject. The students learned about the different courses in Zoology and about many qualified Universities and its eligibility criteria in which these courses can be

taken up. Most importantly, the students learned about the agencies and jobs in which they can be employed in after their studies.

Report on Career Exploration and Awareness Talk

The Department of Zoology, SJC (A), Jakhama on the 23rd of March, 2023 organised a “**Career Exploration and Awareness Talk**”, for the 6th Semester students of the department at the Conference Hall (PG Block), at 11:00 AM sharp in which 42 students along with the HOD of the department, Miss Rukutalu Veswuh and two other Professors attended. The program began with an invocation by Mr. Joanies Malang, B.Sc. 6th Semester, Zoology Department and a warm welcome note was then delivered by the HOD. The speaker Mr. Dr. Lilongchem Thyug was one such prodigy who in a short session covered in his talk about all the important career paths and choices of courses available for a student pursuing Zoology after B.Sc. He opened his speech with a clear deliverance of the word ‘Career’ and he propose for a friendly discourse. He mentioned the moral virtues students should posses to attain success. He talked about the need of more communication and interaction among students, between students and mentors and also the need to explore one’s skills and strengths while equally focusing on the subject of interest. He emphasized clearly on the courses that can be taken up as a Zoologist that are available with great scopes in the state, national and international level. He also clearly highlighted many Universities, the eligibility criteria, the various job positions one can obtain on choosing a particular field of study and opportunities they can provide, the qualification needed, etc. He gave a glimpse of trending courses such as –

- M.Sc. in - Sericulture (available in the state), Museology, Marine Biology, Marine Fishery, Marine Science, Microbiology, Wildlife, Forensic Science, Oceanography (outside the country)

He encouraged the students to utilise the scholarships and funding available to help assist those in research fields and in high profile Universities, both in and out of the country. He talked about other conventional career paths outside the subject such as Basic training programs like DMLT (Diploma in Medical Lap Technology), B.Ed. and M.Ed., other skill enhancement programs outside academics and competitive exams which when driven with zeal, hard work and determination can be a very worthy and highly valued career choices. He lastly mentioned about the importance of having clear interaction between parents, about making clear and wise choice of career and the significance of binding one’s struggles and achievements by prayer for a fruitful and successful life. The session ended with a vote of thanks proposed by Ms. Lungbiuliu Gonmei, B.Sc. 6th Semester, Zoology Department.
