Date: 25th August, 2022

AWARENESS PROGRAMME ON
"CYBER SECURITY & EMERGING TECHNOLOGIES"

National Institute of Electronics & Information Technology (NIELIT), Kohima in collaboration with the Internal Quality Assurance Cell of St. Joseph's College (Autonomous), Jakhama, organised an awareness program on "*Cyber Security & Emerging Technologies*" on 23rd and 24th August, 2022, at the College Indoor Stadium from 12:40 P.M to 2:40 P.M.

Mr. A. Morimenba Amer, Joint Director/ Scientist 'D', NIELIT, Kohima, Mr. Moasunep Kichu, Technical Assistant, NIELIT, Kohima were the resource persons for the programme. 1200 students of the 5th semester of the under-graduate course and 16 faculty members along with the Principal and Vice-Principal (Academic Affairs) attended the programme.

On 23rd August, 2022, the programme started with an address of welcome by Dr. Fr. George Keduolhou Angami, Principal, St. Joseph's College (Autonomous). On behalf of the college, he welcomed the resource persons and the team from NIELIT and all the participants present. He addressed the participants by emphasising on the importance of the awareness program as the need of the hour since "we are living in a digitalised world where technology plays a very significant role in our life". This was followed by the talk on "Cyber Security" by Mr. Morimenba Amer, Joint Director, NIELIT, Kohima. The Resource person drew attention to the different types of cyber crime such as Identity Theft, Social Engineering, Social Media related Attacks, Digital Banking Frauds, Attacks through Mobile Applications, and Virus Attacks on Personal Computer. He also shared the different practices to follow to be secure from all such cyber attacks and what steps should be taken incase we become victims of such cyber crimes. This was followed by the talk by the second Resource Person, Mr. Moasunep Kichu, Technical Assistant, NIELIT, Kohima, who spoke about the different emerging technologies. The different technologies such as Internet of Things, Virtual Reality, Artificial Intelligence, Blockchain, 3D Printing & Modelling, Big Data Analysis, Robotic Process Automation, Web, Mobile Development & Marketing, Cloud Computing and Cyber Security are the real game changers in
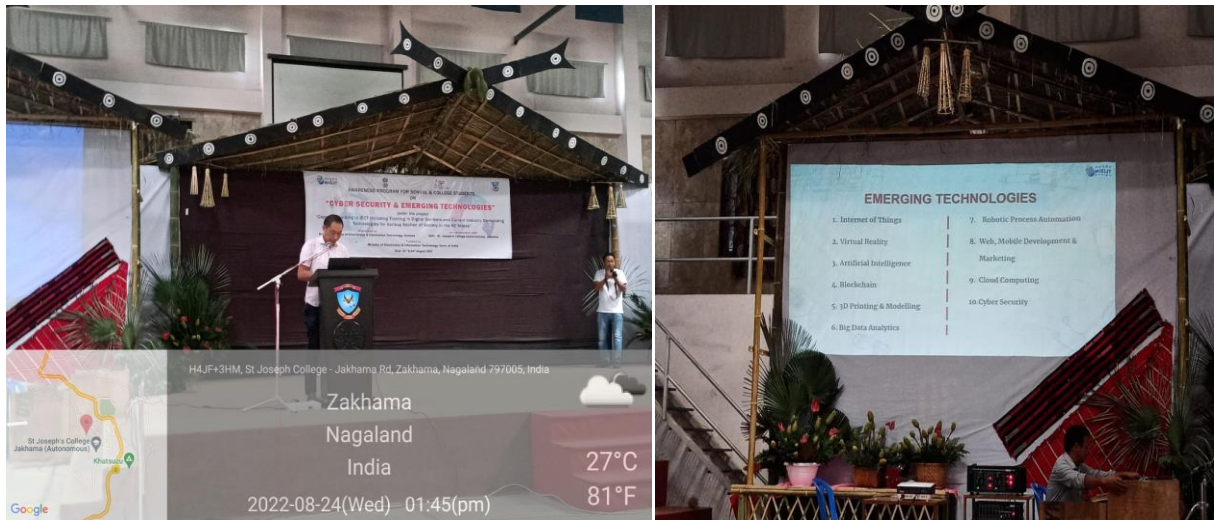

the modern world and in how we do things and carry out our lives. He discussed the significance of the different technologies and how the institution and the students and faculty members can utilise the technologies for different educational and personal purposes.

The program was chaired by Dr. Hormila G Zingkhai, IQAC Co-ordinator and attended by the 5th Semester students and faculty members of Departments of Political Science, Economics, English and Zoology. The program concluded at 2:40 P.M.

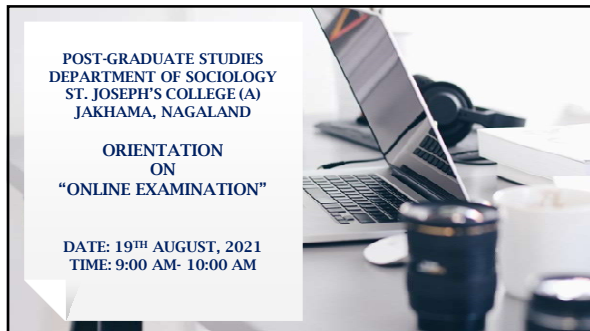

The second day, i.e. 24th August, 2022, the session was chaired by Dr, Sanentiba Ozukum, Assistant Professor, Department of Chemistry, St. Joseph's College (Autonomous). It was attended by the 5th Semester students and faculty members of Departments of Education, History, Sociology, BBA, B.Com, Botany, Chemistry, Mathematics and Physics. The session begin with an Introductory Note by Dr. Fr. George Keduolhou Angami, Principal, St. Joseph's College (Autonomous), followed by the Resource Persons who spoke about the importance of Cyber Security Awareness. The program concluded with a vote of thanks by Mr. Reimaya Muinao, Co-ordinator, Department of History, St. Joseph's College (Autonomous), whereby he thanked the Resource Persons and their team from NIELIT, Kohima for their time and effort to educate and create awareness about Cyber Security. He also acknowledged the contributions by

the management and the IQAC of the college and thanked all the students and faculty members who participated in the program and made it a success. The program concluded at 2:40 P.M

ORIENTATION
ON
"ONLINE EXAMINATION"

DATE: 19TH AUGUST, 2021
TIME: 9:00 AM- 10:00 AM

INFORMATION

- ❖ The Online Exam will be **Proctored Examination**
- ❖ **Link** for the Proctored Exam will be shared by the respective Faculty Member who is in-charge of the exam
- ❖ Keep the **required stationeries** like pen, paper etc., **ready**
- ❖ **Print/ Photocopy the Cover Page** of the Answer Script for each paper

2

INSTRUCTIONS FOR FILLING UP THE ONLINE EXAM ANSWER SCRIPT

- ❖ Entry of Details on the Cover Page of the Answer Script
- ❖ **Proper Margins** should be drawn in every page of the script
- ❖ Write the **PAGE NO**, your **ROLL NO** and put your **SIGNATURE** on the top right side in every page of the scripts
- ❖ Students should write the exam in **his/her own handwriting** legibly
- ❖ **Question number** should be written correctly against each answer

3

SUBMISSION OF ANSWER SCRIPTS

- ❖ **Scan** your handwritten answer scripts and save it in **Portrait Format**
- ❖ Convert it to **a single PDF file** (Page wise)
- ❖ Save the file with the File name comprising of your Roll No and Course Code. For example, **19MSOC097 MSOC 2.1**
- ❖ Compress the PDF File to **5MB-7MB** (Maximum)
- ❖ Submit /upload your answer scripts PDF File to the subject teacher within the allotted time through email, WhatsApp, google classroom app etc., as per instruction of your teacher

4

- ❖ The time of Examination: **9:30 am to 12:30 noon.**
- ❖ The respective subject teacher will send the Question Papers to the students by **9:20 am.**
- ❖ Upload the answer script on or before **1:30pm**
- ❖ **Attendance** on the day of examination should be given to the respective subject teacher through audio call, WhatsApp, messaging etc.
- ❖ **Retain** the **Hardcopy** of the answer scripts and **submit** to the college whenever situation permits

5

All the Best
Thank you
