POLICY STATEMENT FOR AWARD OF SCHOLARSHIP AND FREE SHIP

St. Joseph's College, Jakhama is situated in rural area (Jakhama village) and caters mainly to students who come from different villages in Nagaland. The College aims at imparting quality higher education based on Christian vision of life and in a Christian atmosphere. It aims at imparting quality education to deserving students, especially those belonging to the Catholic, Christian communities and those belonging to the Scheduled Tribes, Caste, and OBCs and thus help in the diffusion of knowledge and advancement of educational activities in all spheres of life.

It is observed that many students who study at St. Joseph's College, Jakhama come from financially weak background and find difficult to meet the educational expenses of paying the College fees. To help and support such deserving students, the College helps and supports the students in the form of grant of Scholarship and Free Ship. The Principal, in consultation with the Management Board members grants Scholarship (Fee Concession) and Free ship to deserving students during their period of study at the College. This policy and best practice of the College helps many students to pursue studies and reduces the financial burden of the parents.
